

**Institution:** Infectious Diseases Research Collaboration (IDRC)  
MUJHU3 Building, Mulago Hospital Complex  
Kampala, Uganda  
<http://www.idrc-uganda.org/>

**Contact:** Catherine Tugaineyo  
Finance and Administrative Director  
Email: [ctugaineyo@muucsf.org](mailto:ctugaineyo@muucsf.org)

## LAB RESOURCES

---

**Please describe the laboratory facilities available in your research institute, including the items listed below (if applicable):**

*Lab space and equipment (general):* 38 microscopes, four hoods,  
7 centrifuge machines

*BSL-2 lab space and equipment:*

*BSL-3 lab space and equipment:*

*Flow cytometry equipment:*

*Other:*

## BIOLOGICAL SPECIMEN REPOSITORY

---

**Please describe the biological specimens stored at your institute:**

- Plasma

**Does your institute have a database of stored samples:** Yes

**Please describe the equipment/facilities available for sample storage at your institute, including items listed below (if applicable):**

- Four -80C Freezers

## TRAINING AND EDUCATION

---

**Please describe the training initiatives your institution has in place for individuals prior to working in clinical studies?**

- They are taught about the study, its objectives and study procedures in detail, then they have to read and understand the standard operating procedures. They

also do a short course on good clinical practice and human subjects protection before they start attending to study participants.

**Please describe the training initiatives your institution has in place for individuals prior to working in the laboratory?**

- They are taught about the study, its objectives and study procedures in detail, then they have to read and understand the standard operating procedures. They also do a short course on good clinical practice and human subjects protection before they start attending to study participants.

**What rank are the majority of your trainees? (e.g., approximate numbers of undergraduate students, Masters, PhD, post-doc, MDs)**

- 20 masters students, 5 PhD

**Do you offer training classes/courses for any of the following?** None

**Does your institute receive funds to support training initiatives?** Yes

**Does your institution send trainees abroad for additional training?** Yes

## **CLINICAL COHORTS**

---

**Do you have access to existing clinical cohorts in Africa or USA?** No

## **DATA MANAGEMENT**

---

**Please describe the DATA MANAGEMENT FACILITIES available in research institute, including the items listed below (if applicable):**

*Data management expertise, including staff complement (general):*

- We have a data center with a trained data manager who designs databases. We also have trained data entrants.

*On-site database design, implementation and trouble-shooting:* N/A

*Details of off-site support (by whom):* N/A
