The National CFAR CAB Coalition (N3C) brings together expertise to speak on this urgent public health crisis.

This townhall, the first in a series hosted by the N3C, will include presentations, with community discussion and Q&A covering these topics:

- Facts, Misinformation, and Debunking Myths
- Community Perspectives and Messaging
- Remembering HIV and COVID-19 in response to Monkeypox
- Vaccines and Vaccine Rollouts
- Treatment Updates and Access
